

Uniti Atom

Compact High-End All-in-One

Product EANs: 5060332107179 (UK - non HDMI) - 5060332103164 (EU - non HDMI)
5060332107292 (UK - with HDMI) - 5060332107292 (EU - with HDMI)

Uniti Atom is a beautiful, compact multi-source music player that will seduce you with its amazing sound quality and outstanding feature set. Its 40-watt integrated amplifier and high-resolution music streaming capabilities will fill your home with stunning high-fidelity sound from almost any source and is Roon Ready and multi-room compatible. Just add speakers.

Key Features

Enjoy your music in crystal-clear high definition up to 32bit/384khz with UPnP (Universal Plug and Play) Streaming.

Go further than just music. Enhance TV, movies and game consoles with the Uniti Atom's optional HDMI ARC (Audio Return Channel) connection.

Front panel 3.5mm headphone jack with new upgraded headphone amplifier with improved bass extension.

The Uniti Atom can stream wirelessly from almost any source including Chromecast, Spotify, Tidal, AirPlay & Apple Music and Bluetooth AptX HD.

Fill your entire home with music using multiroom technology in up to six rooms of your house, all controlled via the Naim app.

Over-the-air updates via the Naim app will enable you to update your Uniti system at the touch of a button.
